- ALF earns a competitive risk-adjusted return, currently about 4%. Credit enhancement on the pool makes the likelihood of principal loss remote.
- Loans from ALF advance the missions of vital organizations by bridging urgent cash flow needs.
- All loans originated for the ALF are rigorously vetted for credit quality by FJC staff.
- When interest and principal payments are paid, your account grows - amplifying your impact again and again.
- FJC's Agency Loan Fund has advanced over \$280 million in loans to over 200 non-profit organizations globally.

Growing the Philanthropic Impulse

- **Collective Giving Accounts.** Established by individuals, families, organizations or small groups that want to raise funds as a group, or from multiple individuals and foundations for the purpose of supporting charitable organizations.
- **Young Philanthropist Funds.** A donor advised fund that can be established for someone college age or younger. Minimum initial contribution is reduced from \$5,000 to \$1,800.
- **Gift Certificates.** The perfect way to acknowledge a wonderful event, say thank you, and show your appreciation and affection. Entitles recipients to recommend a gift to the qualified tax-exempt charity of their choice. FJC account holders may request Gift Certificates in any amount of \$100 or greater

The Process for Donors

Case Studies

Donation of an illiquid asset (real estate)

Georgette Bennett and Leonard Polonsky Family Fund worked with FJC to transform a residential property in Aspen, Colorado into a portion of their \$12 million grant to the New York Public Library. The family donated the Aspen property to FJC, which then sold the real estate, generating the proceeds that covered a portion of the grant. The grant to the Library in 2019 will support the creation of Polonsky Treasures Exhibition, a permanent display of rotating items from its extensive research collections, including an original copy of The Declaration of Independence, Christopher Columbus' letter to King Ferdinand II advising him of his discovery in the New World, The Gutenberg Bible, and original sheet music from Beethoven and Mozart.

A donor makes a customized loan to her favorite nonprofit.

FJC worked with donor Sandy Wheeler to close a \$100,000 cash flow loan to Brighter Tomorrows, a nonprofit working with victims of domestic violence to provide shelter, counseling and legal advocacy to New York's Suffolk and Nassau counties as well as New York City and the Tri-State area. The process began with Mrs. Wheeler, a longtime donor to Brighter Tomorrows, a nonprofit that faced challenges with state contracts that were typically slow to pay. Within a few weeks, staff at FJC worked with the Wheelers to open and fund a new DAF account, review Brighter Tomorrow's financials, and prepare the legal documents for a bridge loan with terms customized according to the Wheelers' wishes. Among other features, the loan carries no interest.

About Us

What is FJC?

Founded in 1995, *FJC – A Foundation of Philanthropic Funds* is a boutique public charity that offers a diverse menu of philanthropic services to a range of stakeholders. With over \$300 million under management, FJC is primarily a platform for Donor Advised Funds (DAFs). In addition to DAF accounts, its over 1,000 accounts include fiscal sponsorships, collective giving accounts, and many other philanthropic vehicles that enable nonprofit organizations and their supporters to achieve their missions.

What's unique about FJC?

Innovation is a core part of our DNA. We were born when a group of ambitious philanthropists sought to bring a pioneering level of business discipline and aggressive pursuit of results to the investing side of philanthropy. Today, we continue to innovate, helping donors apply the same level of intention to the investment strategy of their philanthropic dollars as they would to other assets. FJC offers donors unparalleled opportunities to customize their philanthropic approaches to donations, grantmaking and investing.
