Want to Retain Your Wealth Advisor?

• Donors typically select their investment allocation from FJC’s approved investment options.
• For donors that want to retain a trusted wealth advisor, we offer our Alliance Relationship program.
• Alliance Relationships enable wealth advisors that bring over $1 million in aggregate client assets to FJC to retain investment advisory services for donated assets.
• Advisors retain ability to track donors’ performance and activity through our web-based platform.
• Individual donors with accounts over $1 million may keep or place assets in preferred alternative investments, hedge funds, and other non-traditional assets.
Georgette Bennett and Leonard Polonsky Family Fund worked with FJC to transform a residential property in Aspen, Colorado into a portion of their $12 million grant to the New York Public Library. The family donated the Aspen property to FJC, which then sold the real estate, generating the proceeds that covered a portion of the grant. The grant to the Library in 2019 will support the creation of Polonsky Treasures Exhibition, a permanent display of rotating items from its extensive research collections, including an original copy of The Declaration of Independence, Christopher Columbus’ letter to King Ferdinand II advising him of his discovery in the New World, The Gutenberg Bible, and original sheet music from Beethoven and Mozart.

FJC worked with donor Sandy Wheeler to close a $100,000 cash flow loan to Brighter Tomorrows, a nonprofit working with victims of domestic violence to provide shelter, counseling and legal advocacy to New York’s Suffolk and Nassau counties as well as New York City and the Tri-State area. The process began with Mrs. Wheeler, a longtime donor to Brighter Tomorrows, a nonprofit that faced challenges with state contracts that were typically slow to pay. Within a few weeks, staff at FJC worked with the Wheelers to open and fund a new DAF account, review Brighter Tomorrow’s financials, and prepare the legal documents for a bridge loan with terms customized according to the Wheelers’ wishes. Among other features, the loan carries no interest.
About Us

What is FJC?

Founded in 1995, FJC – A Foundation of Philanthropic Funds is a boutique public charity that offers a diverse menu of philanthropic services to a range of stakeholders. With over $300 million under management, FJC is primarily a platform for Donor Advised Funds (DAFs). In addition to DAF accounts, its over 1,000 accounts include fiscal sponsorships, collective giving accounts, and many other philanthropic vehicles that enable nonprofit organizations and their supporters to achieve their missions.

What’s unique about FJC?

Innovation is a core part of our DNA. We were born when a group of ambitious philanthropists sought to bring a pioneering level of business discipline and aggressive pursuit of results to the investing side of philanthropy. Today, we continue to innovate, helping donors apply the same level of intention to the investment strategy of their philanthropic dollars as they would to other assets. FJC offers donors unparalleled opportunities to customize their philanthropic approaches to donations, grantmaking and investing.
